June 14 from 2-2:30 pm ET

Did you know that both federal and state law regulate the capture and use of facial photos, including photo IDs, selfies and other images? Join us for an overview of laws you should consider when using and storing facial images, including state biometric information privacy laws, the MOBILE Act, state driver's license laws and others. This webinar will benefit finance users, data companies, software vendors and other privacy compliance professionals.
