With Kathleen Kraninger's one-year anniversary as the director of the Consumer Financial Protection Bureau (CFPB), how has the CFPB's focus changed under her regime? Lucy, Justin and Eric review the state of the CFPB's enforcement and regulatory efforts and how it compares to the Bureau's previous focus. Kraninger also promised more education and transparency. We look at the Bureau's announced taskforce, public symposia series, Agency Rule Lists, the status of the Small Dollar Rule and litigation and what we might see from the Kraninger-led Bureau in 2020.
