

Web Content Accessibility - The CCPA and Beyond

May 26, 2020 |

May 26 from 2:00 - 2:30 pm ET

[Request a replay of this webinar](#)

Presenters: [Erica Kramer](#) and [Webb McArthur](#)

Regulations promulgated to implement the California Consumer Privacy Act require that certain disclosures be made reasonably available to consumers with disabilities, and that businesses subject to the CCPA must "follow generally recognized industry standards, such as the Web Content Accessibility Guidelines." We discuss what accessibility of web content means and what it requires, both for purposes of the CCPA and, more generally, under the Americans with Disabilities Act.

Please Note: This online program has not been pre-approved for CLE credit. A certificate of attendance will be available upon request for self-submission. Please email jnixon@hudco.com to request a certificate of attendance. Your state Bar may not accept self-submissions or may limit the number of hours allowed.
