

Webinar: Perspectives on Starter Interrupt & GPS Tracking Technology - State of the Law, Investigations, and Best Practices

June 22, 2017 |

New Jersey recently enacted a law governing the installation and use of starter interrupt and GPS technology. Federal regulators like the FTC and the CFPB have expressed an interest, through investigations or examinations, in the installation and use of starter interrupt and GPS technology.

Join Hudson Cook attorneys Eric Johnson, Nikki Munro, and Erik Kosa as they examine the current state of the law, FTC and CFPB activities related to the installation and use of payment assurance technology, and avoiding UDAP/UDAAPs by adopting best practices.
